Note: in this pdf you'll find two copies of my comic. The first one is the scanned version, and the second one is the photographed version. I'm not satisfied with the quality of the scanned version, so I decided to add a photographed version, which is a bit less neat but shows the detail like shadows much better!

UNDISCLOSED
INFORMATION

SERIAL IS MY FAVORITE MURDER

examining
motivations in the
true crime podcast audience

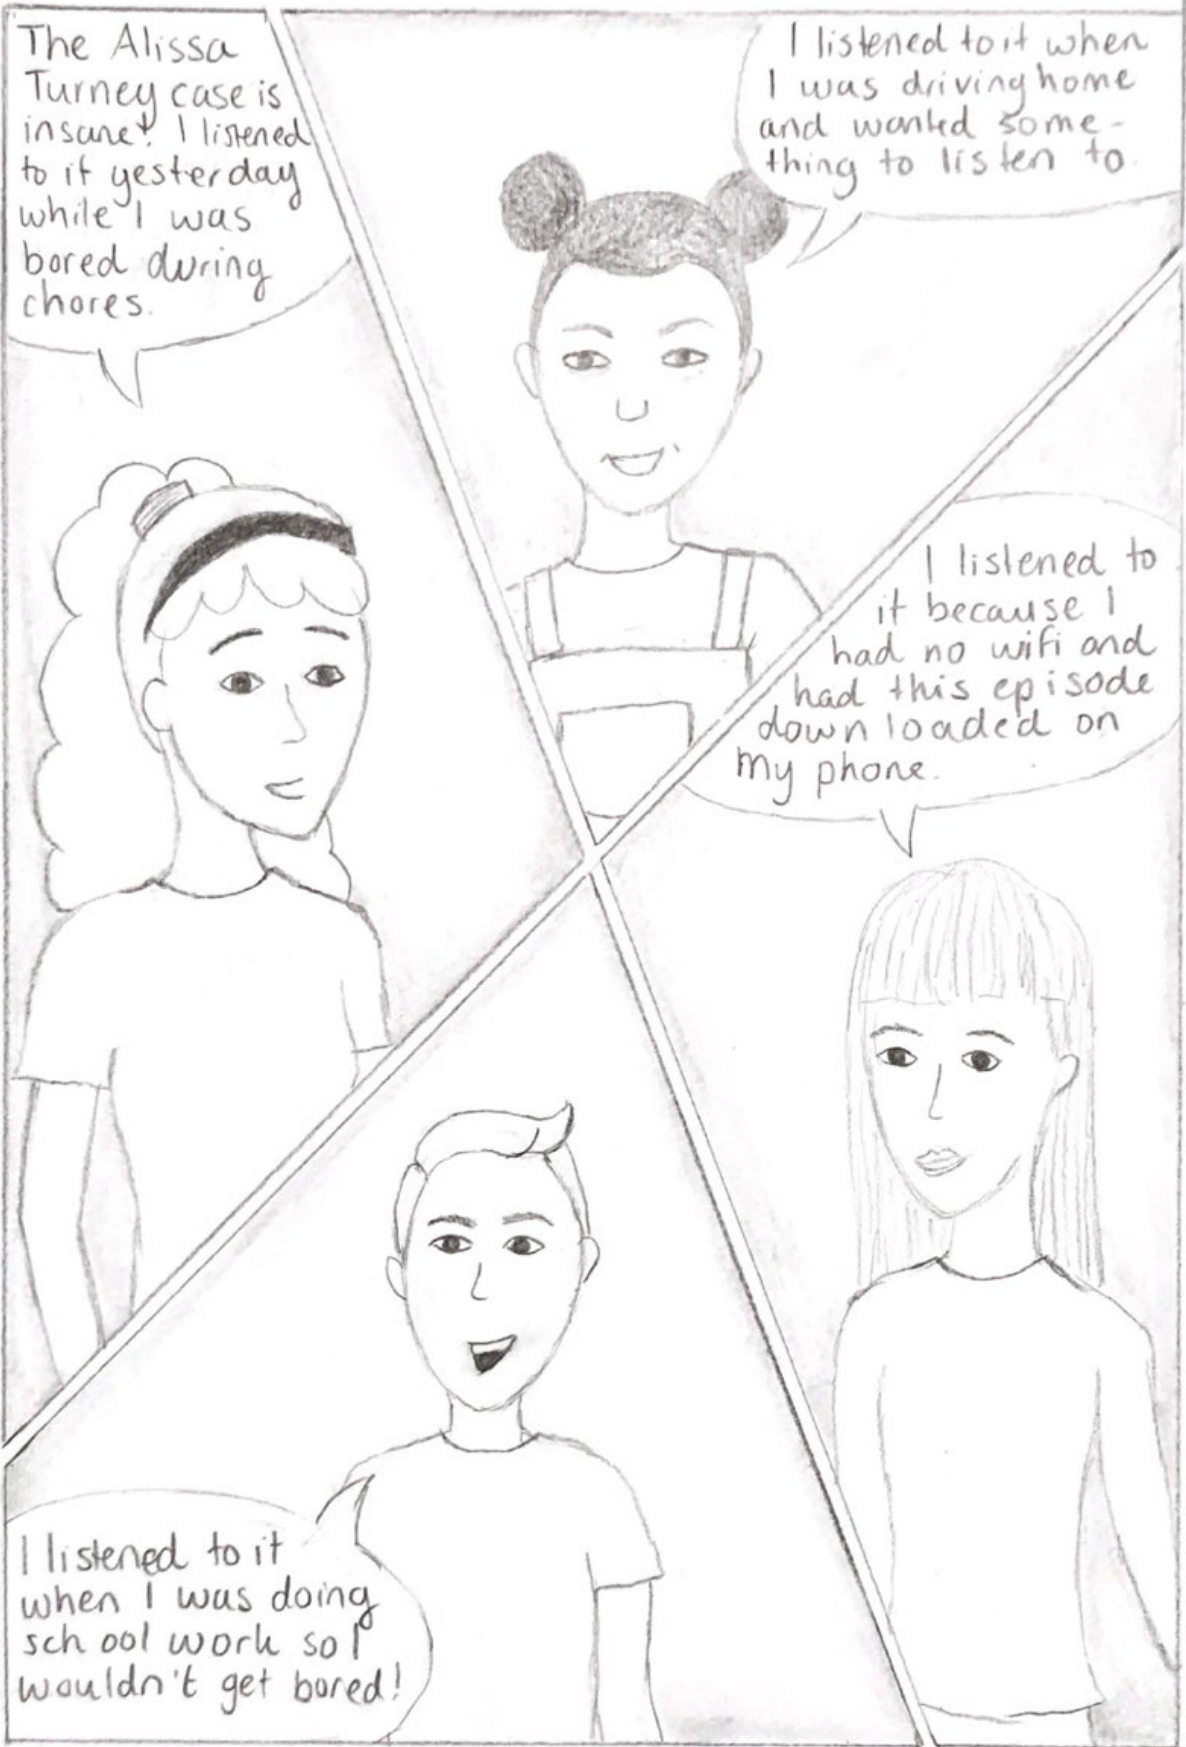

The Alissa Turney case is insane! I listened to it yesterday while I was bored during chores.

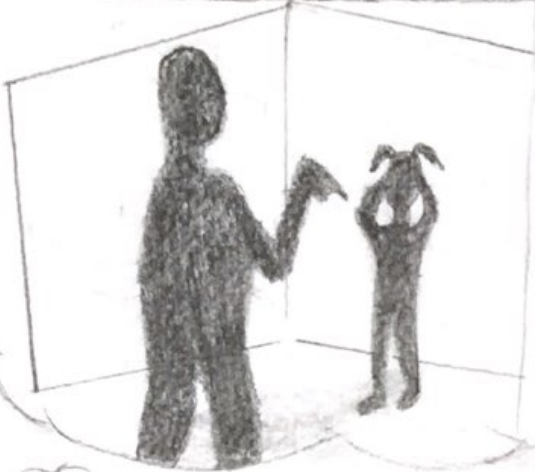

I listened to it when I was driving home and wanted something to listen to.

I listened to it because I had no wifi and had this episode downloaded on my phone.

I listened to it when I was doing school work so I wouldn't get bored!

Alissa Turney went missing in 2001, when she was 17. Her father is the main suspect but she has never been found.

Oh really? Well, good! I hope Alissa finally gets justice...

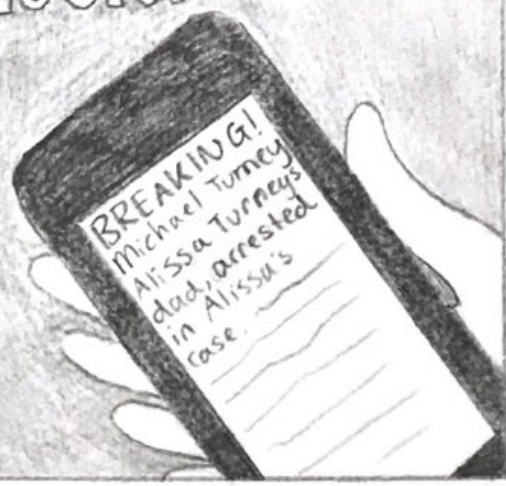

Didn't you guys hear? Her dad got arrested!

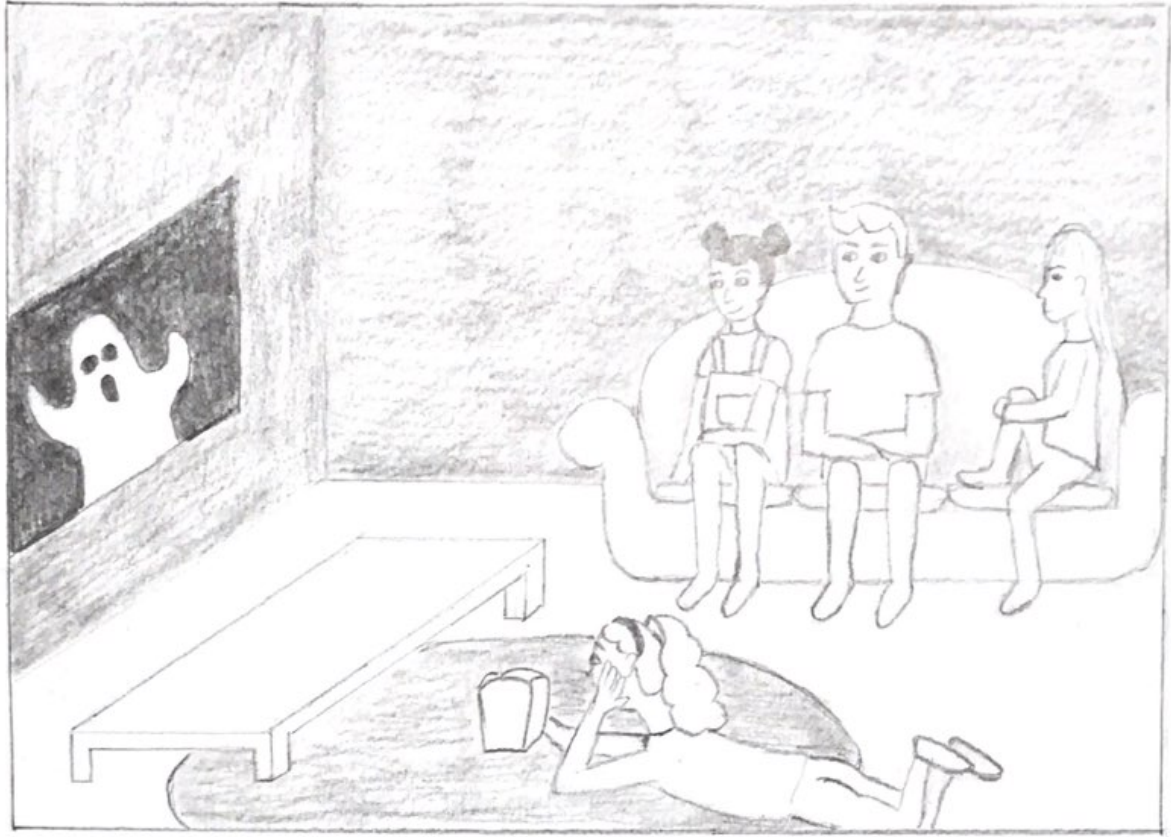

I listen to Alissa's sisters podcast, Voices 4 justice, in which she still fights for Alissa's case. And he just got arrested!

LOOK!
